About West Midlands Hospital

West Midlands Hospital is a leading private hospital with an excellent reputation for delivering high quality healthcare treatments and services. Treatment at West Midlands Hospital is Consultant delivered, and our staff provide a friendly and professional service with specific emphasis on individual patient care. Our recently upgraded Premium Care rooms offer spacious, modern and comfortable surroundings whilst delivering high class care.

A comprehensive list of our treatments is available on our website www.westmidlandshospital.co.uk

Our Surgeons

All of our surgeons and physicians are highly qualified, experienced and enthusiastic professionals with a broad range of specialisms. We deliver continuity of care by ensuring that all patients are under the direct care of the same consultant surgeon or physician from the very first appointment, through treatment to the follow-up appointment.

Our Patients

Patients can arrange their treatment at times that are convenient for them, as we offer appointments throughout the day, including early morning, evening and some Saturday clinics. Our visiting hours are flexible, allowing friends and family members to visit at convenient times. The hospital has free parking.
